

## Intoll/MQA Demerger Cost Base Calculator

Intoll is seeking a Class Ruling from the ATO in relation to the Intoll and MQA demerger which came in to effect in January 2010.

The ATO has not yet made the Class Ruling and therefore Intoll is unable to provide the Cost Base Calculator at this time. It is anticipated that this information will be available prior to the time investors must lodge their 2010 income tax return.
