ASX Announcement

**Macquarie Infrastructure Group (MIG)
Yorkshire Link Refinancing**

Macquarie Infrastructure Group (MIG) today announced the completion of a new £335 million funding package for Yorkshire Link Limited, a shadow toll road in the UK in which MIG owns a 50% equity interest.

The new funding package reflects the successful operation of the company since the M1/A1 link road opened in 1999 and the prevailing market conditions.

The new facility has enabled Yorkshire Link Limited to simplify its funding structure, and provide enhanced flexibility for the future.
